

(STORIES ON THE MIC) “The 10-Minute Narrative/Framing Stories for Oral, Visual & Communal Impact”

You have a story that deserves to be heard—but how do you shape it into a compelling, concise, and memorable experience?

"The 10-Minute Narrative: Framing Stories for Oral, Visual & Communal Impact" is designed for storytellers like you—community members who are ready to step up and share but need a roadmap to keep their stories **engaging and also under 10 minutes.**

What You'll Gain:

- ✓ **Chunking Strategies** – Learn how to distill your story without losing its heart.
- ✓ **Relevance Filtering** – Keep only the details that serve the theme and resonate with your audience.
- ✓ **Universal Message Mastery** – Craft a takeaway that sticks long after your story ends.
- ✓ **Multi-Platform Skills** – Use these techniques to tell stories beyond the stage—on podcasts, videos, and social media.

Don't let fear keep you mute. Your story matters!
